Board and care of children the biggest problem for county at the present time.

Discussion brought out about sale of three wood lots belonging to County, situated in the town of West Stewartstown:

Lot 17 - R. 13

Lot 17 - R. 11

REBECCA GAGNON, Temporay Clerk

**Meeting of Finance Committee and County Commissioners
of Coos County, October 30, 1950**

The Finance Committee met with the County Commissioners at 11:00 o'clock A. M.

Present: Brungot, Mason, Gagnon, Ellingwood, and Moses. Motion made to elect Mr. Moses temporary chairman for the meeting. This was duly seconded and so voted.

All three County Commissioners were present.

General discussion of relief problems throughout the County and conditions at the farm showed the overall picture for the year to have been very favorable. Public Welfare and support of Poor off the Farm is at the lowest point that it has been for many years. A great deal of credit for this is due to a pick-up in labor and industry but the committee expressed themselves very grateful and proud of the work of our County Commissioners. They have cut corners wherever possible and still take good care of our needy.

Superior Court expenses, over which the County Commissioners have no control, will in all probabilities be within its budget unless the October Term becomes too lengthy.

The overdraft at the County Institutions will be offset by extra receipts from the farm that were not anticipated in the regular budget. The stock at the barn, piggery and hennerly were all visited and inspected and all were in very good condition, all showing big improvements.

No further business being called, motion to adjourn was made and so voted.

Report of County Commissioners

To the Citizens of Coos County :

In compliance with the laws of the State of New Hampshire, the Commissioners of Coos County present their annual report for the year ending December 31, 1950, together with reports of the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of the County Farm and Hospital, House of Correction and Jail, Auditors, and Chaplains.

The County ended the fiscal year of 1950 with an unexpended budget surplus of \$7,829.89. The inventory at the Farm and Almshouse showed an increase of \$10,490.97 over the previous year, making a combined increase of inventory of \$36,658.32 for the years 1949 and 1950. This has come about in the face of rising costs of materials and labor, and with no increase in the County budget.

The Lancaster Court House has been completely renovated, and new jury seats have been installed in the Court room.

Extensive repairs have been completed at the Almshouse and a new roof has been put on the large wood yard building. At this time we consider the County property to be in excellent condition.

We consider that the County has properly cared for all relief cases unable to work which are the legal responsibility of the County.

Business conditions are good around the County and all County relief cases physically able to work have been removed from the relief rolls.

The County debt has been reduced by the customary \$20,000.00 and this year, 1951, will complete the last payment on the bonded indebtedness. Coos County will then be one of the few counties in the State free from debt.

At this time, we wish to extend our sincere thanks to all employers of labor who have so willingly cooperated with us in providing work for the needy; to all Town and City officials for their valuable assistance; and to all others who have assisted in the administration of County affairs.

Respectfully submitted,

GEORGE R. PAINE,
NELSON D. RICH,
BUSHROD H. HICKS,
County Commissioners.

Superintendent's Report

To the Honorable Board of Commissioners and Tax Payers of Coos County:

1950 has been a year of continued progress at the County Institution. Officials, co-workers, and friends have all been most co-operative and helpful.

The farm has been improved in productiveness of both land and livestock. A program of conversion of waste pasture and leveling of meadows will add about eight acres of productive land.

Our herd of cows and young stock has been increased to 109 heads. Our milking herd averages forty-five cows and is now producing better than three-quarters of a ton of milk per day. Two hundred quarts of pasteurized milk is used daily by the Institution. County Agent Dan O'Brien has been most helpful in assisting us in carrying out our farm program.

Considerable farm equipment has been purchased, the major items being a Case Tractor, a New Holland Baler and three rubber-tired farm wagons. The usual program of painting buildings and general improvements has been continued.

General repairs have also been made in the Institution. New valves have been installed throughout the heating and steam system. Our water supply is greatly improved by pulling up and reconditioning the Artesian Well pump—the first time this has been done since the well was installed thirty-two years ago. The water system at the Piggery and Hennery has been improved.

On the Hospital floor we have added a Formula Room complete with refrigerator, sink, electric plate and stainless steel utensils, a Doctor's scrub sink in the Maternity wing, and a storeroom for patients' clothes and hospital equipment. A new and most modern Obstetrical Table, light and stainless steel double basin stand have been installed in the renovated Delivery Room (total cost \$1,500). The Nursery has been painted and equipped with new baby scales, a stainless steel sink and a steel clothes cabinet. Donations from the Northland Legion Unit of Canaan, Vt., the George O'Neil Legion Auxiliary of Colebrook and the Canaan Woman's Club enabled us to purchase the steel cabinet for baby clothes and three floral pictures for hospital rooms. In

our Operating room a most modern Castle Operating Light has been installed and proved most satisfactory to Surgeons and assistants. The Operating Room, Delivery Room and Nursery have had all electrical outlets placed five feet from floors to prevent flash explosions.

This fall we had the pleasure of entertaining at luncheon all County Commissioners, Superintendents and Matrons of County Institutions and Social Workers in the state. Girl Scouts from the Canaan Troop acted as very efficient guides in showing our visitors through the buildings.

We extend our thanks to Father Trudel and Mr. Bowers who have administered to our spiritual needs, to the Salvation Army who brought Christmas baskets to our Hospital patients and inmates, to the Choral groups who sang so beautifully several evenings the week before Christmas, to the American Legion Post and Auxiliary of Colebrook who gave Christmas gifts to Hospital patients and inmates, to the Canaan Girl Scouts, to the organizations who donated money, to all those who have given books, magazines, gifts, money and flowers—to all you good people who have done these kind deeds we extend our sincere thanks.

It has been a pleasure to serve under the leadership of our County Commissioners George Paine, Nelson Rich and Bushrod Hicks. They have been most co-operative and helpful with our needs and problems.

We feel that much credit belongs to our efficient nursing staff and our other loyal employees. The co-operation we have received from them, from the doctors and the town's people have made 1950 a very happy year for us.

We hope for your continued friendship in 1951.

Respectfully submitted,

LEE W. WHITCOMB,
Superintendent.

ELVIRA C. WHITCOMB,
Matron.

Chaplains' Report

To the Officials of the Coos County Institution at West Stewartstown, New Hampshire:

As Catholic Chaplain of your County Institution, it is my sacred privilege to care for the spiritual welfare of the Catholic Inmates. To visit and console these poor souls, to bring them the lifegiving Sacraments of Christ, to offer for them, from time, to time, the Holy Sacrifice and to give them a Christian burial when the need arises, is a ministry very dear to my heart.

I am deeply grateful to the personnel of the County Institution for their kind and courteous cooperation.

Respectfully submitted,

REV. CHARLES W. TRUDEL

Officials of the Coos County Farm and Jail,
West Stewartstown,
Dear Sirs:

We have realized it a privilege during 1950 to have been able to make our Lord and Savior Jesus Christ known through Song and the Word in the County Institution.

Three souls have confessed salvation in Jesus Christ. We trust some have found spiritual help in Jesus Christ, our Savior.

We extend our appreciation for the encouragement and helpfulness of the officials in charge.

Respectfully submitted,

WILLIAM J. BOWERS, Pastor
GOSPEL CHAPEL
